Disclaimers:

1. Each load of raw oats contracted to Buffalo Creek Mills (2017) Inc. is assessed prior to acceptance and is subject to company discretion. Therefore, Buffalo Creek Mills (2017) Inc. maintains *the right to reject* raw oats if any above criterion is determined to exceed reasonable quantities or if oats show signs of infestation or health hazards.
2. Vessels having hauled non-consumable products such as fertilizers, dried distilled grains, or treated seed on prior load require documented wash-out (a full list of non-consumable prior loads can be obtained upon request). Failure to comply will result in load rejection.
